Open Futures Account

Reminder:
Futures trading is a highly risky endeavor, with the potential for both great profits and significant losses. Please be aware that in the event of extreme price movement, there is a chance that all margin balance in your futures wallet may be liquidated. Futures trading is restricted for users from certain regions.

6. Выбираем первую опцию > Кнопка Открыть счет.

7. Нужно пройти тест.

8. Жмем любое поле и кнопку далее – Система подсветит правильный ответ.

9. 14 вопрос – Выбираем “Agree” > кнопку далее.

Futures Quiz ✕

Questions 14/14

In the event of a service disruption on Binance Futures, you may use the “close all positions” function to cancel all orders and close all open positions. However, due to unpredictable factors, the final execution result of this function might deviate from your expectations, and Binance shall not be liable for the final results.

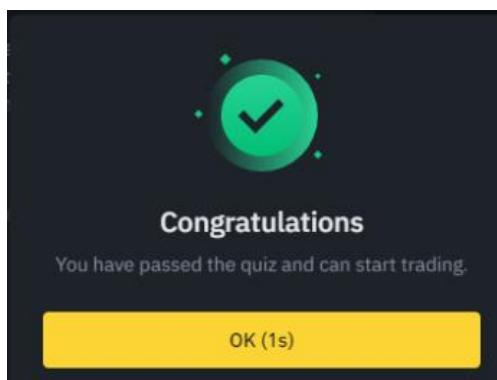

Agree

Disagree

You have finished 14/14 questions.

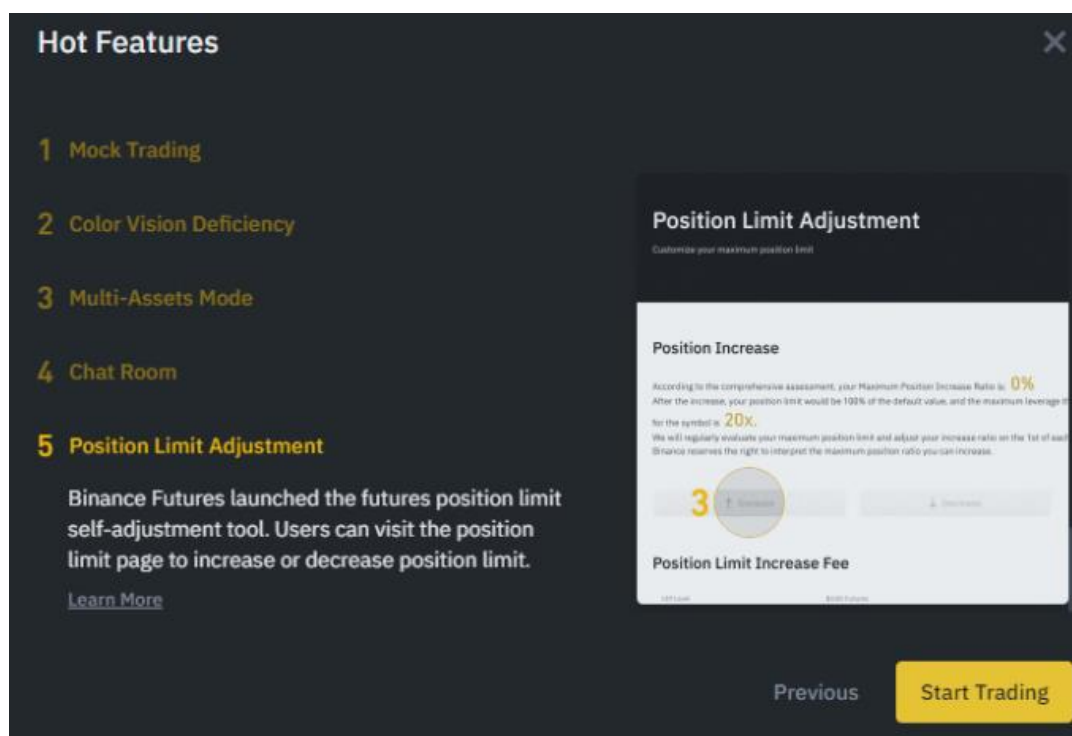

Submit

10. Тест пройден.

11. (Если это поле появится) Выставляем ограничение на плечо > 3 > Желтая кнопка.

12. После этого переводим средства на фьючерсный кошелек

13. Подключаем DAMASK через API – точно так же как делали для спот рынка. И активизируем Бота.
